- Warmup time is 10 minutes; 2-4-4 format (2 minutes shared, 4 minutes on net including serving, serving team has net first).
- **Warm-up balls provided, do not bring your own volleyballs.**

#### TIE BREAKER STEPS:

Final finish in the pool will be determined by match record. If there is a tie, the following criteria will be used in order without repetition: **Head to Head (only if two teams are tied), Set %, Point %, Coin Flip.**

#### Play Notes

- The 5 teams will play in a round robin style on two courts.
- When your team is off, you ref TWO courts.
- If needed, we can use a 'shell' officiating crew with easier scoresheet, no libero tracker and no down ref perhaps.
- There will be 15-minute breaks after round 2 and round 4 for all teams. 10 min match warm up will start after the 15-min break is complete.
- Champions will be decided based on record following the tie breaker rules above.

#### Facility Rules and Information

- Doors open at 7:30am. For the afternoon wave, please do NOT arrive earlier than 2:30pm so most teams and spectators from the morning wave can depart.
- Admission fee: \$6 for adults, \$4 students, children 5 & under free.
- Ball handling is permitted on the court surfaces only. Ball handling is not permitted within the center aisle / spectator areas as well as behind the boards.

- **Limited concessions will be available. Outside food IS ALLOWED inside Ralia until the concession construction is completed.**

## See Parking Details BELOW!

**PLEASE READ!**

### **PARKING GUIDELINES FOR MN SELECT VOLLEYBALL CENTER**

**When you are able, we highly recommend carpooling!**

#### UPS Distribution Center (our neighbors to the west)

The UPS facility is a 'High Security' distribution center. DO NOT park anywhere on their property. They do not want any vehicles on their property that does not belong to a UPS employee. If you do park on their property, then you will be at risk of your vehicle being towed at YOUR expense, along with a parking violation ticket.

#### Recycling Company (our neighbors to the north)

The Recycling facility is a fenced property. There is a locked gate in the driveway with a sign that says, **DO NOT PARK IN THE DRIVEWAY. YOU WILL BE TOWED.** **It is CRUCIAL that you do not park in the Recycling driveway OR on the curb/street between MN Select and the recycling driveway.** Trucks need space to get in during the weekends. If you ignore the sign and park in the driveway, then you will be at risk of your vehicle being towed at YOUR expense, along with a parking violation ticket.

#### Pipe Fabricating Company (our neighbors to the south)

The Pipe Fabricating allows you to park your vehicle in their parking lot as long as you do NOT park in the driveway or next to a trailer (the trailers are usually picked up on weekends).

#### Valley Forge Street Parking

You can park your vehicle on either side of the street as long as you stay 20 feet from a **FIRE HYDRANT** as well as the corner of a driveway or a stop sign. If you park illegally, then you will be at risk of your vehicle being towed at YOUR expense, along with a parking violation ticket. Please only leave as little space as you require between you and the car in front or behind you.

#### MN Select Volleyball Center

You can park your vehicle in a parking stall in the front of the building, or on the south side of the building. You can also park in the grass field behind the building at your own peril. We have had some vehicles get stuck in muddy ground in years past. If you park your vehicle next to a 'NO PARKING FIRE LANE' sign, then you are at risk of receiving a ticket from the Maple Grove Police when they periodically patrol the parking lot.

**Again, when you are able, we highly recommend carpooling!**
